

¿Qué acciones se pueden impulsar con apoyo de las TIC para la disminución de la pobreza y para contribuir con el desarrollo social?

The flipchart features a central question in a green-bordered box. Above the question, there are approximately 15 sticky notes in various colors (yellow, green, blue, pink) with handwritten text. The notes are arranged in two rows: the top row has 12 notes and the bottom row has 3 notes. The text on the notes is mostly illegible due to the image's resolution. The flipchart is mounted on a wooden board and is positioned in front of a wall with a green and yellow flag on the left and green curtains on the right.
